SYNCRO SYSTEM
Il meccanismo manuale
di apertura/chiusura intelligente.

Syncro System è una soluzione innovativa che permette, agendo solo su un'anta, l'apertura e la chiusura sincrona delle ante scorrevoli. L'intera meccanica, brevettata, è completamente invisibile dall'esterno.

SYNCRO SYSTEM
*The intelligent manual
opening / closing mechanism.*

Syncro System is an innovative solution that, using just one door, allows the synchronous opening and closing of sliding doors.

The entire mechanics, is patented, are completely invisible from the outside.
